

The Lady of the Lakes Renaissance Faire

Fairy House Competition

Every fairy needs a place to live. Their homes, each a representation of the fairy's personality and season, are filled with magic and pixie dust. They are made with materials from the forest and held together with tree sap. Every night fairies shrink to a tiny size and return to their homes to work on their magic.

We need your help! The fairies of our shire are looking for new neighbors. Build a fairy house for the neighborhood and tell us about the fairy who lives there.

Felicity, the Summer Fairy, has a house filled with sunlight and the many colors of the summer field. But she always has a shady spot for a tea party with her sister Lily, the Spring Fairy.

Rules

- **Use natural materials** – dry grasses, leaves, sticks, pebbles, shells, bark from a fallen tree, seed pods, acorns, berries, gourds, miniature pumpkins, pinecones, and flowers are a few examples.
- **All fairy houses must appear to be made entirely of natural components.** Hot glue, acrylic spray, twine and other man-made items can be used but must be completely concealed by natural elements. No paper product (they melt in the rain), and no metal (it's toxic to fairies!).
- **Platforms or man-made support materials can be used** for easier delivery and transport, but must be concealed with natural materials when installed on-site.
- Houses must be **portable (maximum dimensions 16" by 16" and 24" high)** - please use a sturdy base that can hold up if wet (such as plywood).
- Please do not use any items of value in the houses as the Faire is not responsible for any loss or damage.
- The theme of the house may be anything you wish.
- Please have your name and your house's name clearly marked and attached to the house.
- All fairy house creators must complete the submission form and turn it in with the house.
- Fairy Houses become the property of the Lady of the Lakes Renaissance Faire and will **NOT** be returned to the creators.
- Fairy houses must be dropped off at any branch of **United Southern Bank** in Lake County no later than 4:00 PM on October 27th, 2023.
- Winner will be announced by November 3, 2023.

Acorn, the Autumn Fairy, loves to paint the tree leaves sparkling colors of red and gold. Her cozy fairy cottage shows off some of her best work in the roof made of autumn leaves.
